

Granite Wedges Example Laying Patterns

Flag sizes:

Granite wedges measure 900mm length x 200mm width (long edge) x 100mm width (short edge)

Laying pattern suitable for:
Granite wedges

Granite Wedges can be combined in straight and curved sections to create paths and patterns, ideal for awkward spaces and creative designs - this example shows one complete pack of 50 pieces (6.75m²)

Using these sizes from digbystone, this decorative paving feature can be created in your patio, lawn or a sunny spot in your garden.
